

THANK YOU

Some suggestions for using these prayers.

- A good time to pray with children is just before bed, after the nightly story-time. Even if the child is too young to understand the meaning, the word sounds become a part of their experience.
- It may be helpful to use the same prayer every night so that children become familiar with a prayer – it could be as simple as a blessing for each family member. The child might then choose another prayer from the booklet to add each night.
- As children grow older they can make suggestions about what to include in their prayers.

Thanks...

Evening

Prayers

Loving Father,
Now that night has fallen,
And the stars begin to peep.
Give your little children
Deep refreshing sleep.

AMEN.

The Lord's Prayer

Our Father in heaven,
hallowed be your name,
your kingdom come,
your will be done,
on earth as in heaven.

Give us today our daily bread.

And forgive us our sins,
as we forgive those who sin against us.

Save us from a time of trial
and deliver us from evil.

For the kingdom, the power,
and the glory are yours,
now and for ever.

AMEN

Our own Prayers

We can talk to God anytime,
anywhere, about anything.

Tell God about what you have done today.

Tell God about the things
that scare you or worry you.

Tell God about the things you love
and the people you love.

God always listens, always loves you
and always want you to talk to him.
